Experience

Freelance Designer

Pleasanton, CA (Dec 2021 – Present)

- Designed logos, websites, marketing materials, and brand assets across digital and print.
- Developed visual identities and marketing collateral tailored to client goals and audiences.
- Collaborated with clients to translate ideas into cohesive, polished visual solutions.

Visual and Web Design Intern

iiED, College of Business, CSUMB

Seaside, CA (Sept 2023 – Sept 2024)

- Designed logos, flyers, brochures, advertisements, web pages, and other marketing materials for iiED programs and events across print and digital.
- Applied skills in branding, typography, layout, and visual hierarchy to translate program and event information into clear, engaging materials for diverse audiences.

Social Media and Web Support Intern

CSUMB University Communications

Seaside, CA (Sept 2022 – Sept 2023)

- Supported marketing and communications across large-scale university platforms, contributing to doubled social media engagement over one year.
 - Created visual content for social media while maintaining consistency with the university's evolving brand identity.
 - Edited and published web content through the CMS to improve user experience and maintain consistency across digital platforms.
-
